CELEBAL TECHNOLOGIES

Celebal Summer Internship

Screen 1. Dashboard

Welcome to the CSI Dashboard! Here's a brief overview of what you'll find:

1. **Course Progress:** View details about your enrolled courses including start and end dates, and current progress.
2. **Pending Task & Assignment Updates:** Stay informed about pending assignments and tasks.
3. **Streak:** Indicates your daily visit activity on the portal.
4. **Notice Board:** Stay updated with important notices and events from Celebal.
5. **General Files:** Access essential documents for your CSI journey, including the Data Dictionary, User Manual, Guidelines, and Company Newsletter.

This dashboard provides you with everything you need to navigate your CSI journey effectively.

Screen 2. Course Enrolled

This screen displays the curriculum for the domain you selected for your CSI Internship. Click on a course to view more details.

Screen 2.1. Course Enrolled

The course content is divided into weekly modules. Each week, a new set of course materials will be unlocked automatically. Within each course, you'll find videos, documents, and assignments corresponding to the topics covered. When you are done with that content click on "mark as complete".
